

The Hayden Memorial Medal and fund has been awarded to Professor Eduard Suess of Vienna, the importance of whose geological work fully merits the recognition recommended by the Academy's Committee.

The resignation of Dr. George A. Koenig from the Council, in consequence of his removal to the West, was received and accepted with regret. By resolution of the Academy, the election to fill the vacancy was deferred until the annual meeting.

All of which is respectfully submitted.

EDW. J. NOLAN,
Recording Secretary.
